Kevin T. Kavanagh, MD, FACS Resume

Kevin T. Kavanagh, M.D., M.S. completed his residency in Otolaryngology (Ear, Nose and Throat) in 1983 at the University of Iowa. He also earned a Master's Degree and in 1983 was awarded a State Recognition Award from the Lions Clubs of Iowa for his work with speech and hearing.

From 1983 to 1992, Dr. Kavanagh was on the faculty at the University of Tennessee, Memphis. During this time he also served as consultant otolaryngologist at St Jude's Children's Research Hospital. While at the University of Tennessee, he developed a tri-state program funded by Maternal and Child Health for Pediatric Indigent Care Clinics in Tennessee, Arkansas and Mississippi.

Dr. Kavanagh has also served on the federal Maternal and Child Health Grant Review Board and has also consulted for NASA regarding medical databases. He has published over 40 papers in peer review journals and has served as the Software Review and Computer Applications Editor for The Annals of Otolaryngology, Rhinology and Laryngology. Dr. Kavanagh also serves on the Kentucky licensure board of Speech-Language Pathology and Audiology.

In 1992, Dr. Kavanagh entered private practice in Somerset, KY. He has been active in tobacco cessation and community education. One of his projects was the encouragement of restaurants in Somerset, KY to go smoke free during the "Great American Smoke Out" which had a 70% participation rate. Dr. Kavanagh was awarded a State Recognition Award by the American Cancer Society in 1997 for his tobacco advocacy.

Resume — Continued

In 2002, Dr. Kavanagh launched a tobacco education website "Tobacco Facts". This site is one of the leading educational sites on tobacco education with over 40,000 user visits per month.

Other activities include the publishing of an extensive patient and physician medical website "ENT USA™" and the development of the first online accredited CME in conjunction with the University of Kentucky. ENT USA receives over 130,000 user visits per month.

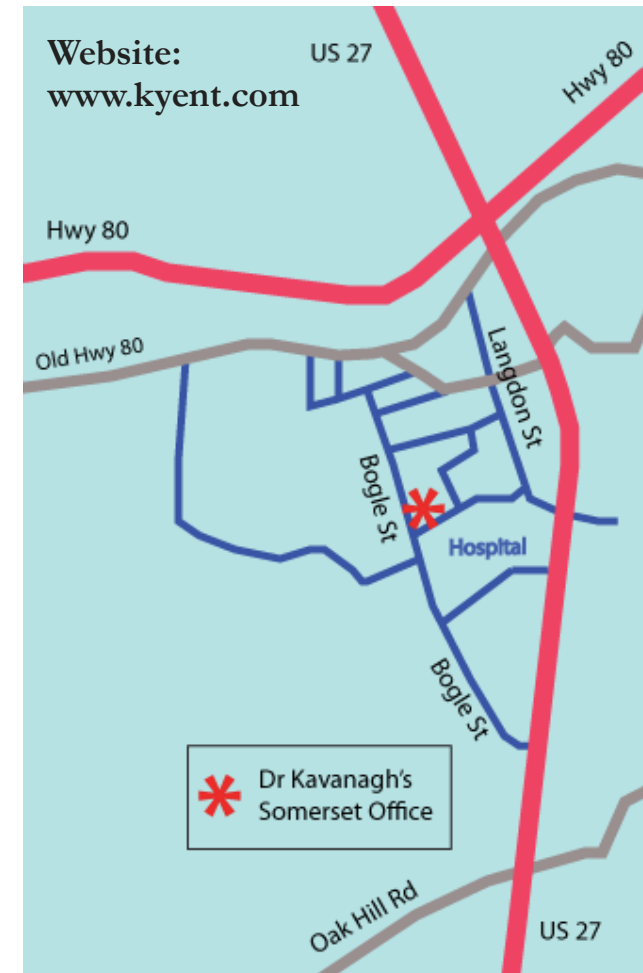

In July of 2008, Dr. Kavanagh launched the online website, "World Articles in Ear, Nose and Throat". WAENT is an online ENT Journal which is designed to combine manuscripts with demonstration videos, creating a true multimedia teaching environment for presentation of clinical and research.

Dr. Kavanagh founded Health Watch USA to promote transparency and patient advocacy. Health Watch USA received certification as a "Community Leader" for healthcare transparency by the Agency for Healthcare Research and Quality, Dept. of Health and Human Resources (ARHQ). Health Watch USA disseminates information on transparency, patient advocacy and consumer-driven healthcare at www.healthwatchusa.org.
